

Me And my husband were pulled over.
If you refer back to preliminary
binder. It Clearly is the arresting
Officer, under oath Saying he had no
Valid Reason to Search our Car. the
Stop was over we were free to go
he then called him back to him to
ASK if Anything was in car. he said NO
he said Can I Search your Car he said
NO. He searched the Car Anyway.
I Also was made to do weekends in
there Jail And had just had Surgery
with medicine & doctors note ~~that I~~
must have bandages changed & A Shower.
They took All my bandage & locked me down
for 3 days with NO medical Attention
In turn I Caught MRSA And Scabies
In there Jail. I have medical documentation
to prove. Thank you in Advance.
